In 2003, the BVRA was incorporated to represent Bronte Residents' views on issues affecting the quality of life in our community. The BVRA works to:

- Preserve Bronte's unique character and charm
- Foster a community spirit
- Advocate for development that meets the needs of present and future residents

If you want to know what development and changes are occurring in Bronte the BVRA will keep you informed and organize local residents so that your voice can be heard to the town council and planning department.

1 year Household Membership is only \$20 – Additional donations are gratefully accepted to fund expenses related to your causes.

Let us know what's important to you (check all that apply):
