

**1213763 and 1319399 Ontario Inc. - 2220 Marine Drive - 1727.04  
Zoning By-law Amendment and Official Plan Amendment  
2220 Marine Drive**

Great West Life, the owners of a 19 storey rental apartment building at 2220 Marine Drive have applied for amendments to two Oakville by-laws in order to build a 27-unit, 4+ storey building in front of the existing building on what is essentially their front lawn and feet of the front of the property on Marine Drive.

This development is, justifiably, of concern to Ennisclare and the townhomes on either side, and the Lighthouse across the street for a variety of reasons, including aesthetics, noise, neighbourhood character, parking and traffic implications, etc.

A Public Information Meeting was held on June 28, 2017 in which 50 residents from the area identified were present.
